RELEVANT EXPERIENCE

Co-Founder & CTO

Aug 2024 – Present

NxtMeals

Vancouver, BC

- Conducted market research surveying 100+ students and running 3 focus groups to pinpoint top grocery pain points, informing a targeted go-to-market strategy for a \$200M addressable market.
- Designed and launched an interactive website prototype, driving 50+ beta sign-ups in 3 weeks and validating the 2% cashback incentive model.
- Leading a pilot loyalty-card program, partnering with local grocers to distribute 50 unique cards and test commission-based revenue.

Software Engineer Intern

May 2024 – August 2024

Microsoft Cloud Solution Partner, Getmax.ae

Dubai, UAE

- Utilized Microsoft Azure to develop projects using Microsoft Dynamics 365, integrating CRM and ERP systems to streamline operations.
- Leveraged Azure DevOps for project tracking, source control, and CI/CD pipelines for two web and API projects, cutting deployment time and boosting cross-team delivery velocity.
- Assisted in developing Azure Security Center policies, role-based access controls, and threat-protection measures, ensuring compliance with Microsoft Azure Security Technologies and reducing security incidents by 15%.

Data Analyst Intern

June 2022 – August 2024

Tridel Technologies

Dubai, UAE

- Engineered Python data pipelines (Pandas, NumPy) to process 20k+ environmental sensor records, uncovering environmental trends for monitoring projects.
- Developed ETL workflows to clean and standardize data from monitoring stations, reducing inconsistencies and cutting preprocessing time by 15%.
- Designed 2 interactive Tableau dashboards that visualized green ecosystem metrics for 4+ stakeholders, accelerating decision cycles.

ADDITIONAL PROFESSIONAL EXPERIENCE

Sandwich Artist

Jan 2023 – Dec 2023

Subway (UBC Campus)

Kelowna, BC

- Served an average of 40+ customers daily in a high traffic outlet.
- Processed \$500+ in daily sales transactions, reconciling cash and digital payments.
- Maintained rigorous food safety and sanitation standards in compliance with health and safety.

Sales Associate

Oct 2022 – Dec 2022

GNC Supplements

Kelowna, BC

- Advised 50+ customers weekly on health supplements and nutrition.
- Managed inventory by conducting cycle counts and coordinating with vendors.
- Executed in-store promotions and merchandising strategies to increase foot traffic.
